

MAINTAINING AN INTEMPOREL PREOILED FLOOR REVITALIZER SPRAY

WHAT YOU MUST KNOW

1. Ready-to-use product made with detergent and vegetable wax that is over 90% biodegradable
 2. Cleans and nourishes an INTEMPOERL preoiled floor
 3. Formulated for the ongoing maintenance of an INTEMPOREL preoiled floor
-

BEFORE COMMENCING REGULAR CLEANING AND MAINTENANCE

1. Wait at least 21 days after the oil application to allow the oil to fully
 2. Use only Intemporel cleaning and maintenance products on your INTEMPOREL preoiled floor (other than clean lukewarm water)
 3. Sweep or vacuum your floor regularly to remove dust and grit
-

***** AFTER EVERY 4 WASHES WITH WOOD SOAP, USE THE SPRAY REVITALIZER INSTEAD OF THE WOOD SOAP*****

Mist **REVITALIZER** on the floor or the damp mop and wipe thoroughly using a back and forth

1. Rinse the mop when it becomes dirty
2. Let the floor dry without rinsing
